A L'ATTENTION DE Mr LE CHEF

DE PROJET SICLSALDO

Monsieur,

Suite au changement apporter au niveau de l'équipe AKKILA par le responsable de cette structure nous tenons à vous informons que nous avons enregistré un taux très faible en RX ceci explique que depuis ce changement les résultats sont très satisfaisantes, donc nous souhaitons la continuité et par la même occasion

Faire attention sur la suite des travaux vu que c'est uniquement des petits diamètres.

Recevez Monsieur nos sincères salutations.
